

# Growing is What We Do Best

## School Partnership Program

2017-2018 Information Sheet

### How the Partnership Works

- Your school gets assigned a special code to give out to families in the school community.
- Families in the school community sign up for a weekly delivery with The Organic Box using the code.
- A portion of each order is donated by The Organic Box to the school.
- A bonus \$20 is earned for the school when a new family signs up!
- Families can choose to pick up the box at the school or have it delivered right to their home.
- No administration, paperwork, cash handling, door to door selling, order forms or committees needed.
- The Organic Box provides promotional material, cards, pamphlets and everything needed to get the program started.

### The Details

Raise funds for your school/daycare/OSC program without having to lug around calendars or track pledges!

1. Minimum 12 families needed to begin amassing funds
2. If 12-24 families participate, \$3 from every order is donated to the school.
3. If 25+ families participate, \$4 from every order is donated to the school.
4. \$20 is earned for each family.
5. The school's code rewards new families with a \$20 discount on their first order - it's a Win-Win-Win!
